

PRICE LIST FOR EQUIPMENT RENTAL

2012-2013

GROUND PENETRATING RADAR			
Unit	Daily rate	Weekly rate (7 days)	Daily standby
GPR SIR3000 / SIR2000 unit	\$450	\$2,100	\$200
GPR SIR20 multi-channel system	\$550	\$2,750	\$250
Antennae (80 MHz - 1.5 GHz)	\$120	\$600	\$60
Antennae (2.0 & 2.6 GHz)	\$170	\$850	\$85
SEISMIC			
Unit	Daily rate	Weekly rate (7 days)	Daily standby
Geode Seismograph + Laptop (24 channel)**	\$450	\$2,200	\$220
Seismic Cables 5m / 10m T/O	\$110	\$550	\$40
Geophones 10Hz (supply 30 per rental)	\$100	\$550	\$40
MASW land streamer and geophones (4.5 Hz)	\$260	\$1,300	\$100
VSSP down hole geophone	\$200	\$1,000	\$110
MARINE SEISMIC ##			
Unit	Daily rate	Weekly rate (7 days)	Daily standby
Marine air gun source, sled and auxiliary equipment for marine refraction	\$500	\$2,500	\$300
Bore hole airgun source (90 mm OD)	\$500	\$2,500	\$300
HotShot Gun trigger system	\$250	\$1,250	\$120
Hydrophone array (24 x 2m, or 24 x 1m)	\$500	\$2,500	\$200
Gas (nitrogen) for air gun source	At cost + 10%		
Single channel Boomer / Sparker System	\$850	\$4,250	\$460
Hemisphere marine DGPS system	\$150	\$750	\$90
laptop & Sonarwiz 5 data collection software	\$200	\$1,000	\$100
ELECTRICAL IMAGING			
Unit	Daily rate	Weekly rate (7 days)	Daily standby
Resitivity, Iris Syscal pro (72 electrode, 5m T/O)	\$410	\$2,050	\$240
Resitivity, Iris Syscal Kid (24 electrode, 5m T/O)	\$180	\$900	\$65
EM profiler, GSSI EMP-400	\$200	\$1,000	\$95

GLOBAL POSITIONING SYSTEM			
Unit	Daily rate	Weekly rate (7 days)	Daily standby
Trimble DGPS system with recon unit*	\$210	\$1,050	75
Trimble DGPS system *	\$180	\$900	\$65

Please note:

Unless otherwise stated Equipment Hire is subject to a \$200 preparation fee.

All rates quoted are exclusive of GST charged at 10% hire within Australia.

For equipment rental please refer to the Equipment Rental Booking Form.

** DGPS is marine beacon or Omnistar (for Omnistar cost of license at daily rate will be added).*

***Multiple geode operation available for 48 channel data collection with MGOS software*

##: First time rentals for marine equipment we prefer to supply technician / consultant to set up & Operate unless client can clearly demonstrate knowledge. This is for both OH&S reasons and equipment safety.
